Indicates order of voting history as represented by ". and "*".

Indicates a voter in the household who has a mailing address that is different from this residence address. Perhaps a student away at school?

Optional coding line customized by the candidate

A situation where three voters all have the same residence address but appear to be separate families. This may be a tri-plex where the voters have failed to note their unit numbers. The short dashed line separates the families.

Gender
 . = male
 * = female

Voting History
 * = voted
 . = did not vote
 (positions defined by order of voting history)

Year of Registration if no voting history available
 0000 = no reg date
